

## TOM

*Daisy was the “American Dream.”*

- He changed into a cruel person, telling on the death of Myrtle to his wife.
- Daisy was able to trigger him and Gatsby to get into a fight.
- He was still arrogant in front of everyone because he knew that he was more powerful than Gatsby.

## DAISY

- Wanted to become rich and powerful so that he could get Daisy to marry him.
- Gatsby changed in a way that he had hope for Gatsby and Daisy getting back together like the old days.
- He took the fault of killing Myrtle because he wanted to protect Daisy from getting hurt.

## GATSBY

## MYRTLE WILSON

- Committed suicide because she thought that Daisy was taking Tom's love towards Myrtle away.
- She was a two-faced person, since she lied to her husband, and made everyone think that she was worth more than who she married.
